Email: [slpna@slpna.org](mailto:slpna@slpna.org)

### **Who We Are**

The Association was founded in 1990 when there was neighborhood opposition to a proposal to build approximately 500 apartments on what is now the East Land Park Village site of 90 homes.

We:

- Survey SLPNA members regarding important issues and present the results to the appropriate agencies, such as the City and County
- Represent the neighborhood on City and County development projects that impact our area
- Facilitate public meetings regarding neighborhood issues
- Serve, or have served, on many City and regional governmental and community committees including: Freeport Blvd. Improvement Committee, Area 2 Leadership Group, Neighborhood Resources Team, Sacramento Police Advisory Committee, Sacramento Transportation and Air Quality Collaborative
- Are working with the City to develop a Traffic Management Program to reduce speeding in our neighborhood
- Have an ongoing interest in the planning and installation of neighborhood beautification projects

### **Why You Should Join SLPNA**

- Because your opinions are important to us
- Because your voice, added to those of other members, will be heard by local government
- Because you are interested in the quality of this neighborhood, where you live, work and play
